## SAFIR Graphic Designer Internship

**JOB DESCRIPTION:** SAFIR Graphic Designer Internship

**RESPONSIBLE TO:** MASSYR Executive Director

**LOCATION:** Unspecified (Candidate will be working remotely from home)

**COMPENSATION:** Unpaid Internship

**CONTRACT:** 2 Month Internship

**HOURS:** 6 Hours per week

This role is offered as a creative two-month internship, and is ideal for an undergraduate or fresh graduate design student that is interested in gaining practical work experience and building their portfolio. The role will bring them contact with many other types of organizations in the cultural and arts sector while working on this project, in addition to becoming more familiar with work in an NGO setting.

### 1. About the Organization:

MASSYR is a non-profit Association, established in Lebanon, which aims to make tangible progress towards promoting the representation of Middle Eastern Art practices internationally ([www.massyr.org](http://www.massyr.org)).

Through the creation of new initiatives, MASSYR aims to establish a collaborative network and dialogue between Contemporary Middle Eastern Artists from distressed Countries and regional and international Curators, Art Specialists, and Scholars and other interested parties. MASSYR has recently launched its very first project SAFIR ([www.safirart.org](http://www.safirart.org)) and is currently working on a Pilot for its Artists' Program, in addition to setting up a new Scholarship for Fine Art students in the Middle East that wish to pursue Masters in Artistic Curation abroad.

## **1. Purpose of the role**

As an intern graphic designer, you will report to Massyr's Executive Director and help design clear engaging graphic communications for print and web. These will include logos, branded promotional items, website and social media graphics, posters, flyers, and other marketing materials as needed.

## **2. Key tasks**

2.1 Design graphic communications for print and web such as logos, letterheads, business cards, signboards, social media graphics, posters, brochures and any other marketing materials as needed.

2.2 Work closely with Executive Director to translate MASSYR's messaging concepts in to marketing materials.

## **4. Person specification:**

4.1 Fluent in both Arabic and English

4.2 Proficient in Adobe Design, Illustrator, & Photoshop and/or other common design and layout applications

4.3 Able to work independently and meet agreed deadlines.

4.5 A Bachelors degree in Graphic Design (or in the process of completing a degree in Graphic Design).

4.6 Excellent graphical skills, creative flair and good color sense.

## **5. Working conditions:**

Candidate will be working remotely from home and will benefit from flexible working conditions. The Candidate will receive a general outline of the design task and will be given a large amount of creative freedom to carry out the task as long as it meets with Massyr's needs.

Deadlines will be mutually set and Candidates will be given enough time to work such that their academic studies and performance is not adversely affected.

If the Candidate is present in the UAE, they will be invited to attend relevant cultural events during the duration of their internship which they are free to attend if they wish.

If the Candidate completes the internship period successfully, they will receive a letter of recommendation detailing the various work accomplished and are permitted to include the Executive Manager as a reference when applying to jobs.

Interested Candidates may send their CV and portfolio to **[info@safirart.org](mailto:info@safirart.org)**.
